

Product data sheet

Product category	Air Coolers
Brand	Qlima
Model	LK 2100 Touch
Colour	White
EAN code	8713508784472

Technical specifications

Power consumption	W	130
Suitable for space (max.)	m ³	100
Airflow - high mode	m ³ /h	1200
Evaporative capacity ¹	l/24h	50,4
Capacity water tank	l	12
Sound pressure noise level at 1 m (SPL)	dB(A)	50
Fan speeds		3
Control		electronic
Length power cord	m	1,65
Dimensions (w x d x h)	mm	380 x 300 x 900
Net. weight	kg	8,5
Guarantee	years	2

¹ For indication only.

20 ft = 207
40 ft = 426
40 HQ = 527

W x D x H =
42.8 x 32.8 x 94 cm

Gross weight
9.5 kg

Package content

Air cooler, User manual, Remote control

Accessories (not included)

Description	EAN code

Qlima

Remote control

3 Fan speeds

Timer function

Up/down adjustable

Moveable design

Sleep mode

Features

Air freshener : Possibility to choose between 2 options: 1 - the device ventilates fine particles of fresh water in the room. In order to prevent any production of germs, the water in the tank should be changed at most every 2 days. - 2 the device only ventilates fresh air in the room.

4 in 1 functions : All-in-one device including cooling, ventilation, humidification and purification.

Programmer : The operating time can be programmed. The appliance stops automatically after the programmed time has elapsed.

Diffusion of fresh air : Fresh air is ventilated throughout the room thanks to the cross-flow fan.

Quiet operation : Only 65dB for airflow up to 4 times higher than average.

Energy savings : Thanks to an innovative pump system, the air cooler consumes less than the average.

Ventilation speed : Possibility to select Slow, Medium or Strong speed.

Swing mode : To activate or deactivate the oscillation of the vertical flaps.

Large tank : Given its large capacity of 12L, it is not necessary to fill the tank all the time.

Easy filling of the tank : An alarm alerts you when the tank is empty.

Infrared remote control : This device works with an easy-to-use infrared remote control. Make sure there is no obstacle between the remote control and the unit during use.

Easy to move : Thanks to the casters located below the device.

Packaging : The device is delivered with its accessories in cardboard packaging on which its characteristics and operation in several languages appear.
