

Product data sheet

Product category	Fans
Brand	Qlima
Model	FSM 40
Colour	White / Black
EAN code	8713508775944

Technical specifications

Power supply	V/Hz/Ph	220 - 240~ / 50 / 1
Power consumption	W	90
Fan - diameter	mm	400
Fan speeds		4
Evaporation settings		3
Fan modes		Sleep / Nature / Normal
Capacity water tank	l	3
Evaporative capacity	ml/h	220
Fan motor		66 x 15 mm
Control		mechanical
Fan blades		3
Dimensions (w x d x h)	mm	445 x 385 x 1230
Net. weight	kg	5.5
Guarantee	years	2

Package content

Mist fan, User manual

Accessories (not included)

Description	EAN code

Qlima

3 Fan speeds

Ultrasonic technology

Moveable design

Features

Adjustable ventilation speed: 4 positions Zero, Slow, Medium or Strong.

Programming: All settings can be managed quickly via the control panel on the front of the device.

Natural freshness: Thanks to ventilation and misting, the water particles cool the ambient air while being perfectly diffused in the room.

Easy to move: Thanks to its casters placed below the device.
